Comments: Hello Wade,

The owners and I just wanted to take a moment to relay to you our thoughts on the "OX Box".

To have a product ideally priced, the versatile features, which consistently offer easy installation, there is no doubt in our minds, this can only be a plus factor in our line of work. It is a pleasure to be using your product and we appreciate you introducing it to Sunshine State Plumbing.

Thanks again,

Randy S. Ford
Licensed Contractor and General Manager
