

## Acquisition of Watts Operating Units

*Sioux Chief is proud to announce that we have acquired the assets of Watts operating units that complement or overlap existing business.*

**KANSAS CITY, MO, August 5, 2015** – This move will allow Sioux Chief to better serve its core customers and offer them even more quality products. The acquisition includes 4 operating units and assets in 3 factories.

The operating units include PEX Potable Plumbing and Residential Fire Protection systems, Brass Fittings, Brass & Tubular and Vinyl tube. “Sioux Chief is excited to enhance our world class manufacturing by integrating these businesses into our operations. We are happy to work with Watts to seamlessly transition these businesses successfully and serve them and their customers,” said president Joe Ismert.

Sioux Chief will integrate overlapping product into their line and add the other products to their already extensive offering of rough plumbing products.

We will post more information as it happens to our website at [www.siouxchief.com](http://www.siouxchief.com).
