

## Sioux Chief Announces 2013 Rough Plumbing Catalog Now Available

The new Sioux Chief catalog offers ground-breaking products to save labor, improve quality, and help plumbing installers win bids and build brands.

Kansas City, Missouri (**PRWEB**) February 21, 2013 – Kansas City based rough plumbing manufacturer, Sioux Chief, announced its 2013 rough plumbing catalog is **ready for order**.

The catalog has been restructured to reflect the new Sioux Chief 'Rough Plumbing Armory' brand as well as a fundamental change the company has made by consolidating its seven product lines to three, categorized as the Supply, Drainage and Support product groups. The remaining Specialties and Tools product groups are now found in Sioux Chief's new Tomahawk brand catalog. A new online ordering portal allows industry professionals quick and easy access to the **Sioux Chief catalog** and its complementary **Tomahawk catalog**.

The Sioux Chief catalog features include:

### **THE SUPPLY SECTION:**

Shows Sioux Chief's complete PEX lines known as PowerPEX  
Reorganizes each product so it is listed with its complete line  
Includes a kit page for each complete line for quick ordering of an entire assembly system for any project.

### **THE DRAINAGE SECTION:**

Shows all Commercial products in stock highlighted in gray  
Features the addition of Sioux Chief's new ProCheck backwater valve  
Features the addition of Sioux Chief's TurboVent AAV, dual-fit FIP combination adaptor

### **THE SUPPORT SECTION:**

Features the most complete and versatile line of popular and unique pipe hangers, including the all-new Simple Strap and Main Block  
Includes additional new assembly options and choices in the Strong Arm Bracketing System  
Features the addition of the new and cost-effective Heavy-Duty Power Bar Mini Strut

"The new catalog includes a host of new products within the Sioux Chief armory," said Sioux Chief Vice President of Product Development, Rex Baer. "From new and improved PowerPEX fittings and tools to superior quality commercial drains, support brackets and more, plumbing tradesmen will find product after product that saves them time, money, and effort so they can take the field. We hope the plumbing industry finds that these changes provide a smoother and more helpful guide to Sioux Chief product selection and ordering." Baer said Sioux Chief's solid commitment to US manufacturing includes injection molding, metal forming, assembly, testing, machining, tooling and robotics automation, all from a single location in the middle of America.

Sioux Chief manufactures the highest quality, innovative plumbing products at globally competitive prices, designing quality into all aspects of its products, from raw material to finished products; including the methods created to install its products.

Contact a local Sioux Chief Representative for more information, or to request a product presentation.

### **Order the Sioux Chief catalog.**

Sioux Chief products are sold through wholesale plumbing distributors nationwide.
