

Sioux Chief Announces New ComboSaddle™ for PowerBar™ Universal Slider Bracket

Sioux Chief has released a new plumbing support product for plumbing contractors - ComboSaddle™ for PowerBar™ Universal Slider Bracket. The ComboSaddle is the optimal product for centering pipe between floor joists.

Kansas City, Missouri - April 17, 2014 – Rough plumbing manufacturer, Sioux Chief, has introduced its new **ComboSaddle™ DWV pipe support**, which is specifically designed to be used with its ever-popular PowerBar™ Universal Slider Bracket.

The ComboSaddle is the ideal product for centering pipe between floor joists. Each ComboSaddle is multi-sized to hold two different sizes of Sch. 40 pipe. The 523-712W model supports 1½" and 2" DWV pipe and the 523-734W model supports 3" and 4" DWV pipe.

Made from durable white ABS, the ComboSaddle can be glued to the pipe using all-purpose cement. It attaches to the front or back of the galvanized PowerBar bracket, which is sold separately. DWV Combo Saddles are packaged 10 per bag and include screws for attaching the saddle to the bracket. Free sample packs are available.
