

Sioux Chief at CIPHEX West in Vancouver, British Columbia, to showcase latest American-made rough plumbing products and innovations, November 7 - 8

Kansas City based rough plumbing manufacturer, Sioux Chief, will meet with plumbing contractors, wholesalers, engineers, builders and inspectors at the Vancouver Convention Centre in British Columbia, to tout success of residential products such as support hangers and brackets, Ox Box™ outlet box, TurboVent™ and shower drains.

Vancouver, British Columbia (**PRWEB**) November 01, 2012 – Sioux Chief will attend the upcoming 2012 CIPHEX West Convention and Exposition to highlight the features and benefits of several of its residential products, specifically support hangers and brackets, Ox Box™ outlet box, TurboVent™, and residential shower drains. <http://tinyurl.com/siouxchief-oxbox>

Hosted by the Canadian Institute of Plumbing & Heating (CIPH), CIPHEX takes place at the Vancouver Convention Centre in British Columbia. Sioux Chief representatives will be available at booth 333 to answer questions, demonstrate capabilities, and provide information about Sioux Chief products on November 7 - 8.

A participant of the annual CIPHEX convention and longtime supporter of CIPH, Sioux Chief will also focus on additional popular rough plumbing products including copper manifolds, TKO™ Closet Flanges, Halo Drain™ wood deck drain, Prime Perfect™ trap primer valves, and support hangers, such as the Hangs Tuff™, Strong Arm™, and more. <http://tinyurl.com/tko-closet-flanges>

The primary message: “Sioux Chief offers unparalleled innovation, cost savings, and quality.”

“Our Ox Box outlet box continues to set the standard for quality, ease of installation and unmatched performance in washing machine, icemaker and pedestal lavatory applications for plumbing contractors,” said Sioux Chief International Manager, Eric Thompson.

In addition to seeing Sioux Chief’s newest products and innovations, convention attendees can watch live demonstrations and get the best information from Sioux Chief’s leading experts. <http://tinyurl.com/Prime-Perfect>

CIPHEX West is owned and produced by the Canadian Institute of Plumbing & Heating and is offering 10 free seminars and 4 workshops at the convention. All of the sessions are listed on the website: www.ciphexwest.ca

The Canadian Institute of Plumbing & Heating is a not-for-profit trade association founded in 1933. CIPH members are located across Canada and employ more than 10,000 Canadians. CIPH is the Canadian Association representing the interests of companies that manufacture, sell, and distribute Plumbing, Hydronic Heating, PVF and Waterworks products and services. CIPH wholesalers operate more than 700 warehouses and showrooms across Canada. “Sioux Chief fully supports CIPH’s vision to be the information source and recognized voice for Plumbing, Hydronic Heating, PVF and Waterworks in Canada,” Thompson said. “We’re proud to attend this year’s convention.”

Rough plumbing professionals around the world trust Sioux Chief’s complete lines of quality and innovative rough plumbing products to meet specifications accurately and on time. Sioux Chief focuses on product innovation that saves the plumbing contractor time and money before, during, and after the plumbing installation, making the plumbing designer’s and contractor’s jobs easier, more effective, and more efficient. Sioux Chief enhances any engineer’s design, providing more choices, security that comes with product quality, and warranty.

Sioux Chief’s American-made products are the industry standard for function and affordability. Sioux Chief is taking part in the CIPHEX West Convention & Expo, November 7 - 8. To schedule a one-on-one appointment with a Sioux Chief representative for additional time during the conference, send an email to Eric.Thompson@siouxchief.com or call 1-800-821-3944.
