

Sioux Chief Mfg. Hosts Representatives from U.S. and Canada

KANSAS CITY, MO, June 9, 2016 – On May 3rd and 4th 2016, Kansas City-based **Sioux Chief Manufacturing Company** hosted 26 of its independent manufacturers' reps for in-depth training of its full product line.

In addition to two full days of training, the reps also took a tour of Sioux Chief's 400,000+ square foot manufacturing facility. The reps saw firsthand how thousands of products are manufactured, as well as the extensive quality assurance processes that are in place.

Training was conducted by Sioux Chief's sales team and Product Group Directors. They provided product knowledge, benefits and features, and other technical information about its products.

"We are very excited that our reps are now armed with the information to go out and earn more market share in their respective territories. I believe that we have the best reps the industry has to offer," said Sioux Chief's Director of National Sales, Michael Foster.

More About Sioux Chief:

Since 1957, Sioux Chief has manufactured innovative plumbing products. It is a leader in providing rough plumbing solutions for residential, commercial, industrial and government applications. Sioux Chief's comprehensive product line is comprised of three core groups: Supply, Drainage and Support. Sioux Chief products are sold to qualified wholesale distributors and retailers worldwide. The company is headquartered in Peculiar, Missouri – just outside of Kansas City.
