

## Sioux Chief Releases Residential Contractor Profile Video

*The new video focuses on residential plumbing contractor, Garrison Plumbing, and its use of innovative labor-saving rough plumbing products by Sioux Chief.*

**Kansas City, Missouri - October 08, 2014** – Rough plumbing manufacturer, **Sioux Chief**, launched a **new video** focused on residential plumbing contractor, **Garrison Plumbing** and Owner, Gary Pflumm Jr. In the **video**, Pflumm highlights Sioux Chief products that save his company time by removing extra installation steps for the contractor.

Sioux Chief manufactures plumbing products for mechanical contractors and produced the video to highlight its residential presence as well as its understanding of the contractor's business.

The contractor profile video focuses on the building of a home in the Kansas City area. Sioux Chief products are specified for and used in both commercial and residential construction projects.

"I'm always a huge believer in people who are innovators because they care about the product and are still passionate about the product they sell ... that being said, (Sioux Chief) is American made and that is huge," says Pflumm.

Based in Olathe, Kansas, Garrison Plumbing was started in 1998 and employs more than 60 individuals. Garrison services the multi-family, commercial and residential markets.
