

## Sioux Chief Announces 2014 Lead Free Product List for Contractors, Wholesalers

*The Lead Free 2014 countdown is on; The Reduction of Lead in Drinking Water Act brings legislative change to the plumbing industry starting January 4, 2014. Plumbing professionals are encouraged to request Sioux Chief's Lead Free product list to prepare for 2014 Lead Free purchases.*

**Kansas City, Missouri - November 14, 2013** – Rough plumbing manufacturer, Sioux Chief, announced its 2014 Lead Free product list, which allows contractors and wholesalers to compare old leaded item numbers with new Lead Free item numbers quickly and easily.

“The Lead Free product list is a simple and convenient way to see Sioux Chief plumbing products, which have transitioned to Lead Free materials as a result of the **Reduction of Lead in Drinking Water Act or Federal Public Law 111-380**,” said Rex Baer, Vice President of Product Development at Sioux Chief.

Sioux Chief created a new landing page, <http://www.leadfreetransition.com>, to host the online reference list for all potable water products (drinking water pipes, pipe fittings, and plumbing fixtures).

“The one-stop directory to all new Lead Free products makes it easy for contractors and wholesalers to find what they need now,” Baer said. “And they can rely on getting a Sioux Chief product with the same American made quality.”

**Sioux Chief products** are sold through wholesale plumbing distributors nationwide.

---

### More About Sioux Chief:

Since 1957, Sioux Chief has manufactured innovative plumbing products. It is a leader in providing rough plumbing solutions for residential, commercial, industrial and government applications. Sioux Chief's comprehensive product line is comprised of three core groups: Supply, Drainage and Support. Sioux Chief products are sold to qualified wholesale distributors and retailers worldwide. The company is headquartered in Peculiar, Missouri — just outside of Kansas City.
